Dear Parents
Welcome again to the school year. The children are settled into their new classes and are quickly settling into the school routines.
As you are aware part of entry into a NSW government school is the Best Start Assessment. This assesses literacy and numeracy and provides invaluable information for the class teachers for future teaching and learning. This assessment will take place Monday and Tuesday of next week. Both Mrs Romera and Miss Herbert will be conducting the test. As a result there will be casual teachers on both classes.
Also a reminder that next Friday 13 February is the last day Kinder will finish at 2:30. They will stay until 3pm from the following Monday.
We will also be holding a small welcome afternoon tea in the downstairs activity area Friday afternoon from 2:00-2:30pm.
We hope to see you then.

Regards
Lyn Anderson
Assistant Principal K-2
