Dear Parents/Carers,

The following items will be required at school each day for the remainder of the year. We request that when choosing stationery, please avoid ‘gimmicky’ equipment such as bendy rulers, electric erasers, large pencil cases and anything else that can distract the students.
Please assist a speedy beginning to the term by supplying the following items for next week.

- A small set of earphones for use with the laptops. A small zip lock bag will be supplied for them to be stored in at school
- 2 different coloured highlighters
- 2 whiteboard markers
- Small pencil case (note: space is limited in classroom and on student’s desks!)
- 3 sharp pencils (HB). Please do not send 2B, 3B or 2H pencils.
- 1 x 30cm wooden or hard plastic ruler
- 2 x glue sticks (please replace this when it is used up)
- 1 eraser
- 1 pencil sharpener (preferably the barrel type)
- 1 set of coloured pencils-12 is adequate. Wind-up crayons are also suitable.
- 2 blue pens, 2 black pens and 2 red pens
- A4 sized exercise book for Homework
- 1 box of tissues to be used during the year
- Paper towel
- An paint shirt (old, large shirt to slip over the uniform is fine)

Please name these items the best you can. Textas and gel pens are optional and never used in books, but may be used in art or craft work. They can be kept in a separate pencil case in their bags.

- No “White Out” or similar correction fluid or tape is to be brought to school.

When children are well equipped with their pencil case and belongings, they develop better work skills in the classroom, as they do not waste time borrowing other people’s equipment.

With thanks,

Stage 2 and Stage 3 teachers

Rick Daly
Principal
